citymed.hu

therefore, to understand a basket, dance, song, ritual, or story, one must know about the maker, dancer, singer, practitioner, or teller

www.ultimed.de

there is no telling what might have happened, now, but luckily the concern passed big things of life, but out of those things which we have always called the little ones

mantrapharm.de

i was only buffering in the first week, and in the second week, i started applying it straight every other night, and applying it combined with cerave on the in-between nights

mipharm.eu

i guess i also occasionally get movies on google play on a whim to watch on the nexus 7 (one day i'll pick up a chromecast)
